FINAL OUTCOME DETERMINATION FORM - COHORT B

Participant ID: **SUBJID** - **B**

Visit Date: **VISDAT** -
D D M O N Y Y Y Y

Visit Type: ☐ M24 ☐ TB Activation Eval ☐ Prem D/C **VISIT**

Instructions: Document the outcome status at the participant's final visit. All participants must be assigned one outcome (as defined in Protocol Section, *Outcome Measures for Cohort B*). Note that the "Unknown" box should only be checked if it was not possible to assess the participant's status (e.g., due to lost to follow-up or death).

FINALOUTB
